

APPENDIX B – PLANT LIST

The following is a preliminary list of plants suitable for use in a heritage garden at Beaconsfield. The sources include:

- plants identified by Henry Cundall grown at Beaconsfield (in bold)
- plants listed in George Carter & Co.'s. Seed Catalogue, 1902

The varieties from the George Carter & Co. catalogue appear as they are identified in the catalogue, not as they would be identified today.

<u>Flowers</u>	<u>Variety</u>
